The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

9. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified in the Companies (Indian Accounting Standards) Rules 2015 under Section 133 of the Act.

10. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating

11. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - v. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
14. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
15. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ECL is the cash shortfall, i.e. difference between contractual cash flows that are due to the Company and all the cash flows that the entity expects to receive. The company applies 'simplified approach' for recognition of impairment allowance on trade receivables. The application of simplified approach does not require the company to track changes in credit risk. Rather it recognises impairment allowance based on lifetime ECL at each reporting date.

Under previous Indian GAAP, the company has created provision for impairment of receivables only in respect of specific amount for incurred losses. Under IND AS, impairment allowance has been determined on Expected Credit Loss (ECL) model

Certain new products of the existing line of products, e.g. Automatic Disinfectant Device, Plasma Air Purifier, Auto Door with Attendance system, Air Showers, etc. are under development. These products will be introduced during the coming twelve months. Contract manufacturing is also under consideration. Measures to achieve cost reduction and competitive sales price have been initiated. These actions expected to provide handsome contribution.

Further, additional steps such as innovation in quality of products and services delivered, infrastructure and resources at disposal, efforts for business prospects being undertaken, strong customer base, etc. are being adopted. The management, in this background, is of the view that it will be able to perform and operate above breakeven point in a foreseeable future. In view of this, preparation of financial statements on the assumption that the Company is a going concern is appropriate.

The company had applied under the amnesty scheme of Maharashtra State Government in respect of above mentioned outstanding sales tax liabilities in the current financial year 2019-20. Out of the above mentioned liability, based on prospective relief available under amnesty scheme, provision for sales tax liability was made for Rs. 25,49,624/- against tax and Rs. 6,55,713/- for interest as against aggregate demand of Rs. 80,05,138/-. Vide Circular No. (2019 Trade Circular No. 9T of 2019, dated the 8th March) of Government of Maharashtra (Ref: - Settlement of Arrears of Tax, Interest, Penalty or Late fee under various Acts). Administered by the Maharashtra Goods and Services Tax Department. Ordinance, 2019 (Mah. Ord. No. V of 2019 dated 6th March 2019).

24. Ind AS 116 will replace the existing leases standard, Ind AS 17 Leases. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The Company will adopt Ind AS 116, effective annual reporting period beginning April 1, 2019. The Company will apply the standard to its leases retrospectively, with the cumulative effect of initially applying the standard, on the date of initial application. Accordingly, the Company will not restate comparative information, instead, the cumulative effect of initially applying this standard will be recognised as an adjustment to the opening balance of retained earnings as on April 1, 2019. On that date, the Company will recognise a lease liability measured at the present value of the remaining lease payments. The right-of-use asset is recognised at its carrying amount as if the standard had been applied since the commencement date but discounted using lessee's incremental borrowing rate as at April 1, 2019. In accordance with the standard, the Company will elect not to apply the requirements of Ind AS 116 to short-term leases and leases for which underlying asset is of low value.

With effect from April 1, 2019, the Company will recognise new assets and liabilities for its operating lease of premises and other assets. The nature of expenses related to those leases will change from lease rent in previous periods to a) amortisation charge for right-to-use asset, and b) interest accrued on lease liability.

25. Effective April 1, 2018, the Company has applied Ind AS 115 which establishes comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue Ind AS 11 Construction Contracts. The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018). The standard is applied retrospectively only to the contracts that are not completed as at the date of initial application and the comparative information in the statement of profit and loss is not restated i.e. the comparative information continues to be reported under Ind AS 18 and Ind AS 11. The impact of the adoption of the standard on the financial statements of the Company is insignificant.
26. The Company has generally complied with INDAS requirements in all material aspects and that the impact of non-compliance with some Indian Accounting Standards (Ind AS) is insignificant.
27. The previous year figures have been regrouped/reclassified, wherever necessary to conform other current presentation as per the schedule III of Companies Act, 2013.

28. Impact of COVID-19 on financial results:

The operations of the Company were completely suspended w.e.f. 25th March, 2020 as per the directives of government due to Covid-19 pandemic and now resumed in a phased manner taking into account directives from the Government. As a result of lockdown, the volume for the month of March, 2020 have been affected and consequently, the performance for the Month of March, 2020 and the current quarter has also been affected.

The impact assessment of Covid-19 is a continuing process given the uncertainties associated with its nature and duration. Accordingly the impact may be different from that estimated as at the date of approval of these financial results. The impact of COVID 19 is expected to be for several quarters. The management will closely monitor the activities and take appropriate action.
